The advertisement features a central image of a green and orange granule machine being transported by a forklift. The background is a blue sky with white clouds. On the left, there are two green, plant-like figures running. The text 'Environmental protection' and '科技环保' (Technology and Environmental Protection) is in a yellow circle. Below it, 'Original design' and '原创设计' (Original Design) is in another yellow circle. At the bottom left, there are three certification logos: a blue circular logo, 'CE', and 'CCC'. At the bottom right, there is a yellow dollar sign icon and the text 'Trade Assurance'. In the top right corner, there is a red star with 'new' and the Chinese characters '内蒙古' (Inner Mongolia).
